Experience the magic of
an award winning
Highland Cattle
working farm

“Come and comb a cow”.
Take a heifer for a stroll
around the yard.

“Amble round the fields”.
Listen to the birds
singing.

“Look at the trees”.
Someone says we have
an Oak 1,000 years old.

“Find the flowers hidden on
the banks”. Don't pick - just
admire and smell.

“Chicks and rabbits,
ponies and pigs”. We have
them here for you to see.

“Ollie and Stan are full of
fun”. These happy goats will
make you smile.
